Sir,

Your attention is invited to Regulation 7.20 of Indian Medical Council (Professional Conduct, Etiquette and Ethics), Regulations, 2002, which states that "A Physician shall not claim to be specialist unless he has a special qualification in that branch."

In view of the same, Directorate Health Services is requested to ensure that only persons who possess recognized post graduate medical qualifications and are registered with the Delhi Medical Council, are appointed as specialist in the hospitals / Nursing Homes functioning under the Directorate of Health Services.

Yours faithfully,
