NURSES DAY CELEBRATION ON 13/05/2013

Nurses day was celebrated in our hospital on 13/05/2013 as 12/05/2013 was Sunday – The Nurses Day. Florence Nightingale was remembered and all nurses took pledge to follow her path. The celebration ended with light refreshment with MS wishing all nursing staff a very happy Nursing Day and to follow the path shown by Florence Nightingale in true sense.
